Annual Escrow Account Review

At least once each year, PennyMac Loan Services, LLC ("PennyMac") reviews your escrow account to make sure there is enough money to pay your property taxes and/or insurance premiums. This statement informs you of any adjustments to your monthly payment, shows you how much money you currently have in your escrow account and how much you will need in the next 12 months.

Your New Mortgage Payment

During the next year, your escrow account balance is projected to have a surplus (meaning more funds than necessary to pay your taxes and/or insurance as they come due). See Your Escrow Surplus on page 2 for more details.

Escrow Payment	\$491.20	\$493.29
Total Payment Amount	\$1,608.97	\$1,611.06

Please start making the 'New Monthly Payment Amount' on November 01, 2021. Payments due prior to this date should be made at the 'Current Monthly Payment Amount' shown.

Projected Escrow Account Activity

Over the next year, PennyMac expects to pay \$5,919.51 from your escrow account. Your new monthly escrow payment is \$493.29.

Your Escrow Surplus

Based on the projected activity above, our review shows that you will have a surplus of \$107.82. We are refunding this surplus to you with the enclosed check.

Lowest Projected Balance	\$1,094.40
Minimum Required Balance	\$986.58
Escrow Surplus	\$107.82

PennyMac requires a minimum balance up to one-sixth of the estimated total annual payments from your escrow account, unless state law or your mortgage contract requires less, to help cover any unexpected increase in taxes and/or insurance. The minimum required balance does not include mortgage insurance.

Escrow Account History

The following is the statement of activity in your escrow account from November 01, 2020 through October 31, 2021.

Last year, we anticipated that payments from your account would be made during this period equaling \$8,492.77. Your lowest monthly balance should not have exceeded \$982.39, or 1/6 of anticipated payments from the account, unless your mortgage contract or state law specifies a lower amount.

Your actual lowest monthly balance was greater than \$982.39. The items with an asterisk on the table below may explain this.

The table below shows the Projected and Actual account history for the previous escrow account period.

The letter 'E' beside an amount indicates that the payment has not yet occurred, but is estimated to occur as shown.
